

 **ACS**
ADVANCED CARDIO SERVICES

As a Coumadin[®] patient, you now have the option of checking your PT/INR at home, anytime.

We coordinate with Medicare or your private insurer to determine your eligibility for reimbursement.

ACS

ADVANCED CARDIO SERVICES

Home monitoring with ACS can offer:

- | | |
|------------------|---|
| Control | Better management of your time and care |
| Savings | Time and money |
| More data | Your physician has more information to guide your treatment |

ACS supplies everything you need:

- Small, convenient testing device
- All necessary testing supplies
- Face-to-face training designed to help you successfully test your PT/INR value at home

For more information about the ACS PT/INR Home Monitoring Service, ask your physician or visit our website at www.advancedcardioservices.com, or call us directly at 800-769-8177.
